bharatbassi8@gmail.com | +91 7053320627 | linkedin.com/in/bharatbassi | Hyderabad, India

PROFESSIONAL SUMMARY

Results-oriented **Social Media Analyst and ORM Specialist** with **6+ years** of progressive experience across global sports streaming, automotive, aviation, and media verticals. Expert in **social listening, online reputation management, brand sentiment analysis,** and translating audience intelligence into actionable business insights for senior leadership. Proficient in **Sprout Social, Zendesk, Konnect Insights, Power BI, Tableau, Python,** and **SQL**, with a strong track record of building BI dashboards, automating reporting workflows, and driving measurable improvements in brand health and operational efficiency. Adept at **crisis communication, competitive intelligence,** and cross-functional stakeholder collaboration. Pursuing an **MBA in Business Analytics** (Liverpool John Moores University) to deepen strategic and data-driven decision-making capabilities.

WORK EXPERIENCE

Social Media Analyst – Social Listening & ORM

Jul 2025 – Present

DAZN Software Private Limited · Hyderabad

- Oversee **brand intelligence operations across 10+ international markets** via **Sprout Social** and **Zendesk**, delivering real-time audience sentiment, share of voice, and buzz-trend reports to regional leads and VP-level stakeholders on a weekly cadence.
- Architecting an end-to-end **ORM Strategy** to shift DAZN from reactive listening to proactive brand perception management — developing escalation matrices, response playbooks, and tone-of-voice frameworks across all monitored markets.
- Developed the **DAZN Global Sentiment Dashboard** — a multi-market intelligence platform covering sentiment trends, word clouds, theme extraction, and AI-powered recommendations, adopted by leadership for weekly brand strategy reviews.
- Engineered **AI-assisted VBA automation** for reporting pipelines, cutting report preparation time from **3-4 hours to 30-40 minutes** per cycle — an **85% efficiency gain** freeing analyst bandwidth for higher-value insights work.
- Partner with brand and content teams to **ideate data-backed campaign concepts** derived from social listening signals, trending conversations, and audience sentiment patterns across markets.
- Spearheaded **Root Cause Analysis (RCA)** on Daily Production Reports that uncovered queue-routing and agent-allocation bottlenecks, resulting in a **35% improvement in Service Level (SL)**; recognised as **Star of the Month**.
- Coordinate analytics for a **17-member social media team**, reporting on SLA adherence, FRT, CSAT, and engagement KPIs — enabling data-driven resource planning and performance improvement cycles.

Senior ORM Executive

May 2023 – Jul 2025

Interactive Avenues Pvt. Ltd (IPG Mediabrands) · Delhi

- Served as the lead ORM and social listening analyst for **MG Motors** — synthesised audience intelligence across platforms into weekly brand health reports for marketing leadership, and proposed **data-backed campaign ideas** that strengthened brand visibility and community engagement.
- Directed crisis ORM for **CEAT Tyres and Apollo Tyres** during high-profile brand incidents — deployed rapid-response messaging, tracked hourly sentiment recovery curves, and coordinated with client PR teams to contain and reverse negative brand perception.
- Executed social listening and online reputation monitoring for **5+ national brands** using **Konnect Insights**; surfaced early-warning signals that informed crisis-response strategies and contributed to a **15-point improvement in brand sentiment scores** over 3 months.
- Delivered competitive benchmarking and audience behavioural analysis to shape content and media strategy, generating a **22% uplift in engagement rate** across managed accounts over 12 months.
- Streamlined weekly reporting using Excel (Pivot Tables, advanced formulas) and **Looker Studio**, reducing analytics turnaround from 3 days to **same-day delivery** and cutting team reporting effort by **30%**.

ORM Executive

Mar 2021 – May 2023

The Social Booth / Step1 Advertising Pvt. Ltd · Delhi

- Handled social listening and online reputation management across **21+ digital channels for Delhi International Airport**, sustaining a First Response Time (FRT) of under **7 minutes** — **2x faster** than the 15-minute industry benchmark.

- Designed and maintained sentiment trend dashboards and operational KPI reports in Power BI, adopted by team leads for daily reviews and used in monthly C-suite presentations.
- Performed passenger interaction analysis to identify recurring service pain points; data-driven recommendations improved **issue-resolution accuracy by 20%** and measurably lifted passenger satisfaction scores.

Social Media Executive
Sep 2019 – Mar 2021

Catalyst Web Trendz Pvt. Ltd · Delhi

- Reported on social media engagement metrics across YouTube, Facebook, Instagram, and Twitter for **8+ brand accounts**; content strategy recommendations fuelled a **25% increase in average monthly reach** within 6 months.
- Produced weekly campaign performance reports and competitive benchmarks, enabling content teams to optimise posting cadence and improve content consistency by **35%**.
